“ You and I had a different kind of connection but we shared the same interests and values. Our relationship was not known to others but you were a great friend. I was shocked to learn that God took you so young. I guess He has a greater need for you. You were and always will be an inspiration to me.

“ Marilyn always made me feel welcome, and like part of the family. Even years after I dated her son, I always received a Christmas card from Marilyn. I enjoyed all of the time I spent with the family, and family was everything to her. People like Marilyn are rare gems, and she will be greatly missed.
