“ I remember going to my aunt Marilyn's when we were growing up. We always had fun with our cousins. I remember my aunt always had a pot of coffee on. We will miss her. Her niece Sandy

“ I remember a long time ago I went out on their boat with them and no one had a lighter so we had to eat hot dogs un-cooked and they were good...

*we all must have been hungry. LOL*

*Also we went to their house a lot and our parents played cards ... they loved that and us cousins all played... we all had fun.*

*And just a few years ago we had a family picnic at my sister Sandy's with aunt Marilyn and some of her kids... we had such a good time we played games in the yard and we laughed a lot... my aunt had the best laugh. My dads sister!*

*I believe she was loved more than she knew!*

*With Love from her niece:
