“ I have know Marion since before I can even remember. She lived just down a block from our house on Janis. She was part of the neighborhood women's Birthday Club, I think there were 12 or 13 ladies. I remember each month their birthday get together rotated from one house to the next each month. This group got together for over 25 years. I was one of the very blessed kids. along with the other kids of these great ladies to see their great example of what friendship is. Marion was always a hoot and our relationship lasted beyond by childhood years. My mom, Gabrielle Whittey, myself and Marion were on a bowling league for three years together. And when my kids were in 4H she came up to our place in Harrison and helped hold Chickens and goats for my kids. That lady was game for anything. What great memories both of these women have left me. I love my neighborhood and I loved those ladies who made it so memorable. If every child had moms like Marion and mine, what a beautiful place this would be. Thank You Marion for what you gave to all of us. God's grace be with you now. Jill Whittey Madol

“ I will miss the best sister in the world. I will always treasure my memories of our days in the muck fields, my extended visits to your house on Janice Street, and of course your magical witchy-poo powers. And of course all the amazing fun stuff in between. Rest in peace Marion.

“ To the family of Marion Hagle: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.
