“ *Grandma was a special person. She loved her family dearly. I am happy that my Dad can see his mom again. As he and his dad and mom look down upon us who are here, we can feel their heavenly love. A blue candle in memory of those who have passed. (My favorite color as well as my dad's)*

“ *I remember when Rich and I were youngsters. At Christmas time, Mrs. Bousson would make her Christmas cookies. They had to be made in some sort of waffle press of some sort. They looked like a big lace snowflake. They were unique and very delicious. Every year I would ask Rich if his Mom made the Christmas cookies yet. Hope this was passed down to future generations to enjoy.*
