“ Lots of great memories come to mind....Gatlinburg, playing Euchre actually learning how to play Euchre by the pool, many family parties that included BarbBQ chicken and German Potato Salad, playing the player piano in the basement, watching fireworks on the 4th, and lots of fun and laughter with my cousins. We always had a fun time at Aunt Marge and Uncle Bill's house!! Our thoughts and prayers are with are with you!

“ Dear Gary, Barry, and Cheri, My memories of your mother at Shine were all so positive and good, She always had a smiling face to greet everyone and she was always so friendly and helpful in her job. I am only sorry I did not get to talk to her in her later years and talk over old times. She and you will all be in my thoughts and prayers. Mike Hoch

“ I loved talking to Marge when we were in high school and beyond. I remember her ending most conversations with "You girls"! Fond memories - where does the time go?

“ I remember Mitch Miller singing on summer Sundays in the back yard with chicken on the grill mighty tasty and freezer slaw. Aunt Margie & Uncle Bill's house was tiny but the parties were large. Cousins ran all over and memories were made. A different time than today, but today has its own memories. The sisters always ended up in some bedroom with the door locked talking the latest gossip of the family. Good memories. Long life. Fun times... who else would name their kids like that?
