“ *Such a beautiful lady, she always had a smile for us girls when we would come over in high school. And after I married I was added to her long list of Christmas card recipients. She never missed a year. Whenever I would see her she would always ask about my kids. She was a genuine woman, she raised an amazing family, and she was extremely well loved. We should all wish to live such a full life. She will be missed. Much love to the family.* ”
