“ *Mark Chase was one of my best friends in High school. We had many fun times together. We went to all home games and several away games. We stayed in touch our entire life and Mark called us after Christmas. We were shocked to read of his death. I will miss a great friend. Roger Grimm*

“ *Dad was a good man. His quiet life in Warren seemed complimentary to his life style. Retired Kmart executive, and pretty good golfer , lived as a widower, surviving his wife Gloria. It came as quite a surprise as he was fairly healthy and never smoked. His last Alcohol was back in the eighties, with no apparent damage at all. His yard/land was one of his last big projects but he loved that sort of work. The riding mower perpetuated his love for a "well groomed yard".He is the only person I know that has gotten a "hole in one" in golfing. People get them but he is the only one I know. Yes, I have the ball. If you were on the course with him that day contact me you may be eligible to have it. mitchase@yahoo.comFrom Sara to Amberlyn we will miss you "Popster" ~~~~~Mitchell Scott Chase*
