“ Nancy, I am so very sorry for your loss. I have grown up with you living accross the street so my heart goes out to you even more. With the recent loss of my brother, this news comes as even more of a tragedy for the Wiseman street family. You are a strong woman & time will heal everything. As my mom would say "One Day At A Time".

“ Nancy, We are so deeply saddened by the loss of Mark and for the grief you are feeling. It's hard to beleive that we won't be hearing his quick jokes and witty remarks any longer. That we won't see him share his love for you and his children and friends. But our memories of him will always bring a smile to our faces and warmth to our hearts. We send much love and concern
