“ Mark started as my "teacher" in 1987 when I started working at Fordsell. Learned so much from him. Great Man! He will be dearly missed & thought of often. Now I work with his son, Mike, which is another great Man! Mark never called me Tina, it was always "LB" :

“ I don't know what to say other than I am going to miss you so much. You have been on my mind all day. I close my eyes and I can hear your laughter. What I wouldn't give at this minute to see your smiling face and hear that deep rumble one more time. You were an awesome Uncle to us! A loving father and grandfather. A brother who dealt with so much from his brothers and handled it all with grace. A son who made his parents proud! I love you Uncle Mark and my memories of you will be cherished up until the day I see you again! Your niece, Lisa Ann
