“ *Mark was a wonderful; super guy, I really liked his personality during my working days in Dental at BCBSM. It's been a long time since I saw him, but, he was that kind of guy that if you happen to see out and about, you could get a hug cause it was kind and it was good to see his smile. Rest in peace! “ Sending all my love out to the Lovelace family Marky I’m going to miss all the good times we had together! We didn’t see each other much in the last few years but that never mattered. It always seemed like we ended up hanging out or seeing each other at all the right moments. We always had a lot of fun, and some great conversations about family and each others kids. It was always genuine when talking with you I always appreciated that about you. I’m really going to miss those sporadic and random great times spent hanging and talking with you. Love and miss you already, I still can’t wrap my head around the fact that you are gone. Again my heart goes out to your family love you all!
You will be missed but never forgotten
Rest easy my friend

“ We had some lively conversations! Full of many emotions. They all ended with encouragement and love, no judgements, that was Mark, full of love, wanting to please, even though he knew, you can't please everyone. Be at peace, Mark. You are loved.

“ *Had a lot of fun with Mark (and the family too of course). Many MANY MANY MANY fun times. You will be missed my friend. I am glad that in 2012 when the Tigers clinched the ALCS over the Yankees...I was able to share that moment with you as we were out watching. Thank you for all the laughs, talks and good times my friend.*

“ *Mark kept me laughing. Seemed like he picked with me every time our paths crossed (multiple times daily) and we would fuss because he always felt he was right but usually we'd end up hugging. He'd update on the kids and whatever camping adventure or sport they were active in. I will truly truly miss him.*
