“ I met Mark when I worked for him at Prozy's Army & Navy. He became a dear friend and was like an older brother to me. I think about him all the time but for some reason thoughts of him were weighing heavy on my mind today. I miss his jokes, his advice and the talks we had working late nights at the store. Mark, I love you and I miss you greatly. "Until we meet again."

“ My very first job at 16, Mark was my boss at Prozys Army & Navy in Clifton NJ. He became a great friend of my family and played golf with my dad. Mark was such an amazing person who helped me battle those awful teenage years. He was a great friend and always had such a wonderful sense of humor and warm heart. I still talk about him to this day, remembering jokes he would tell me, things he would say and dinners we shared. He will forever have such a special place in my heart and I will never forget him. To you Mark, thank you for always being the voice of reason and a dear friend. I love you dearly..."What, what!"

“ *Mr and Mrs Rosenbach and family:
I'm so sorry to learn of Mark's passing. Mark and I have talked a few times in the past couple of years, so I knew he was battling his illness. I know he gave it his best, as I know he loved his family and didn't want to leave you. I know he's in a better place now making God and everyone else in heaven laugh. Mark was my roommate in college (Northwood) and my best friend; I truly loved him. We used to just laugh for hours on end. I swear it was God's gift to Mark, his incredible humor. Again, please accept my deepest and heart felt condolences and my God's peace be with you, in Jesus name.
Love,*

“ *I remember Mark with a smile, he would always make you laugh. It's not about the way you start out but how you grow and finish. I admire his finish! God bless you Mark, rest in peace.*

“ How very sorry we are to hear of this family loss. Growing up several doors down from each other on Butternut in Royal Oak, Mark was always known as 'little Mark' as a way for neighborhood kids to differentiate between he and I as I was older. I'm not sure Mark appreciated this label but unfortunately for him, it stuck. Lot's of cherished memories. Hard to see he's gone before his time. Our thoughts are with you Carol, Bob, Judy, Mr. & Mrs..
