“ *Mark, I hope the peace you were in search of is now found in heaven. You had so much passion in so many interests your memory will go on forever.*

“ *My sincere sympathy to the entire Mize family. I am very sorry for everyone. This is a hurtful loss. I love Mark very much I'm sorry that he is gone. I did have the chance to talk with him on the 17th of September. I kept hoping that he would stop what he was doing. I did try my best to help him. He will be missed tremendously.
