

Mark G. Schuette

November 1, 1987 - March 21, 2020

Mark G. Schuette was born November 1, 1987 in Ann Arbor, MI and passed away March 21, 2020. Husband of Kaitlan and loving father of Colton - he is also survived by parents Michael and Claudia, siblings Meredith (Jim) and Chris (Melissa) and nieces/nephews Michael, William, Megan (Meredith) and Brooks (Chris).

Mark enjoyed movies, video games, fishing and the outdoors, but above all he cherished the time spent with his family. His favorite activity was spending the summer at the beach with Kaitlan and Colton. He was an athlete at heart - Mark loved Michigan football, was an outstanding baseball player and a terrible golfer. He loved talking to people, making new friends and reconnecting with old friends - he was a fiercely loyal friend who was always available and eager to support those needing a helping hand.

He will be missed terribly by all his family and friends.

Due to the current pandemic, the family is holding a private viewing followed by a service on Thursday, March 26. The 8:00 pm service will also be broadcast via livestream at SullivanFuneralDirectors.com ~ Please note the link will not be available until a few minutes prior to the Thursday 8:00 pm service time. Computers click on "Photos & Videos" tab above and Smartphones click on "Media" tab.

When the dust settles - a Celebration of Mark's Life will be held for all family and friends to join in and celebrate the way Mark would want. Details to follow once gatherings are permitted again.

Contributions in support of the family may be sent to Kaitlan and Colton Schuette, c/o Wm. Sullivan and Son Funeral Home, 705 W 11 Mile Rd., Royal Oak, MI 48067.

“ All my condolences to the Schuette family. I have so many fond memories playing with Mark in our backyards, along with the other neighbourhood kids. I had always admired his bravery walking confidently along the upper parts of our play structure. When I was visiting my parents about a decade ago I reconnected with Mark in adulthood and was happy to know he was still a fun and caring person. I am saddened by the news of his passing and wish his family may find some peace, togetherness and strength during this incredibly challenging time. He will be missed.

Dear Claudia, Mike, Merridith, Cris, Kaitlin, Colton and family members. I want to express my deepest sympathy to each of you for your tragic loss. As a student, Mark was always so energetic, with a quick smile and a great laugh. He always thought it was meant that I was his teacher since my son, Stephen was in your class! That was Mark, a quick wit with a ready smile! I am honored to have known him. Please take care of yourselves and know that you are in our thoughts and prayers. Judy and David Thurmon

“ I still can't believe this nightmare is real! Mark and Kaitlan are more than our neighbors, they are family to us! My kids have grown with Colton in the last 5 years. They care for him like he's a little brother. Our hearts are so broken and life will never be the same - but, with all that will change, I will keep Mark always in my heart and cherish all the good memories that we have. Like bonfires, the beach, dinners, camping, sack toss, beer pong, movie night in the garage, evil apples, 'cards', and so many more!!! You may have left us too soon, Mark, but a piece of you remains and that piece lives in Colton - I will cherish that little boy forever!

“ Turning the pages of the Oakland Press, there appeared before me a smile, framed by facial hair, a smile that I had seen so, so many times before. How little it has changed since he first shared it with us when he began waddling about Cranbrook. The same smile that was on his face when he, the son of the boss, and I engaged in a snowball fight on the edge of the oval. It disappeared for a while when mom reminded him that we were not supposed to be throwing snowballs near the academic buildings. "But mom, we were closer to the football field than the academic buildings."

The smile also brought tears, for the loss of such a special young man.

Hopefully, the support from family, friends, and the Cranbrook family will help each of you in this time of transition. Know that each of us would prefer to be sharing this moment with you in person, so that arms instead of words could envelope each of you. As individuals share with you their remembrances of Mark, I hope you will discover some new reasons to smile when you think of him.
