“ Peace Keeper! This is one of the wonderful qualities that I will always remember about Mark. Smiling, whenever we saw him he was always smiling. Great husband and father. Mark loved and adored Kelly and loved being a father to his two children. His life was tragically cut short. He has said goodbye to this world and hello to the next. Kelly, Mitchell and Dani, Mark is gone but will never be forgotten. You are in our thoughts and prayers at this most difficult time.

“ My heart is divided at this time. One part is devastated at the loss of you Mark, and the other part is thankful to have had you in my life and called you friend. My fondest memory would be when we would sit on the couch on Cottage Lane at opposite ends with Kell in the middle watching as you and I would play Centipede until our eyes would be shedding streams of tears down our faces from our concentration at the tv screen trying to beat each other! Our marathons meant the world to me. All the while Kelly would be saying "oh my gosh you guys, you're crying!" The Hood/Seaman family will forever hold a very special place in my heart. I love you all. And Mark, you will be so very missed and every memory will bring a smile to my face. God Bless You. Love Carla xo
