“ Aunt Mick, I will try to keep this short and sweet, just like you. I pray everyday that you know just how much you are loved by EVERYONE who has had a hand in your care. It was a pleasure to have you regard me as your niece, as I felt you were part of my family from the time I met you 13-14 years ago. I enjoyed everyday that we spent together trying to rebuild your strength and spirit. We shared many, many memories and I will cherish EVERY one of them for the rest of my life, no matter how hard times were between us at the end. I also pray that you were able to enjoy your time getting to know your new friends and family. Please enjoy heaven with your loved ones who have passed before you. I love you so very much, Denise

“ Aunt Mickey, Denise and I are glad we were able to spend the last 15 or 16 years taking care of you and keeping you healthy and strong!! It is just so sad to know only 8 months of being in Sheree and Jasons' care you are now gone!! I know we had some hard times over the past 3 years but we always kept you going!! My sister can do all she wants to keep mine and Denise name out of her obituary and services but we all know who really cared and was there for the last 15 years when so called family only came around for holidays or when they needed something! Everything we did, we did because we loved you and cared for you and wanted you to be happy! Never thought you would be gone before your 81st birthday! You have ALWAYS been in our thoughts everyday, and now will be in our memories. We both hope you enjoy eternity with your "sister" Betty. We know you missed her dearly. With love always, Billy and Denise
