“ Dear Bob and family, Please accept my sincerest condolences on your loss. Marsha and I were friends in high school. She was gentle and kind, an absolute delight to spend time with. She had a 1,000 watt smile that could light up a room and her laugh was infectious. I have many fond memories of her and will undoubtedly keep them close to my heart. Regards, David Kalmar

“ Dear Bob and family, Carol & Rod- Words are so hard to find at this difficult time. I can't imagine what you all are feeling right now, but I know Marsha is looking down upon you all & not wanting you to be sad. I wish I could be there in person to comfort you all, as Marsha was such a loving, caring and sincere friend for so many years although we didn't get to see each other for quite awhile, she always remained in my heart and soul and memories. Let Gods strength carry you through this difficult time and ease your pain as quickly as possible. I will never forget the angel God made and has taken home to be with him. “ Bob and family, I'm so sorry for your loss. Marsha was truly a kind person. I always enjoyed seeing her smiling face at Rose Kidd. I also enjoyed seeing her when she was working food service at Ebeling a couple years ago. It was truly a blessing to know her. I will keep you all in my prayers.

“ Bob, this came as such a shock. I didn't know that Marsha was even sick. I/we are so sorry. As I think back on our times together, it seems most of them lead to softball, either us playing together, or now your boys and our grandkids. And the first picture is of Marsha always with a smile on her face, supporting all the games! Our hearts ache for you and the boys and our prayers are with you during this difficult time. I feel privileged to have known such a special lady!

“ How sad.. such a classy lady to leave this world so soon. I just met her once, but immediately I was impressed with her warmth and charm and how comfortable she made me feel when I talked with her. Bob, I'm so sorry. God is always "rearranging the scenery", and my prayers are that you and the boys and your family can accept His Divine Plan, and find peace.. and know that Marsha is at Home and Happy.

“ I enjoyed working with Marsha for the short while that I did. Marsha was so patient with me while I learned the ropes in the kitchen at school. She was such a wonderful woman in so many ways, foremost in the way she treated others...a example to follow for sure. “ Marsha was such an inspiration to us while we were able to have her in our lives. In the short time I was able to spend with her on the UCS FST group I was able to admire so many of her qualities. To this day I remember the true love that was so apparent between her and her husband at the Arts & Idols gathering, I remember her perfect timing of knowing what to say and when to say it. Marsha left behind a wonderful example for all of us to follow. We will hurt for her loss, but be reassured that she is with the Lord.

“ "One by one they came, far as the eye could see, each life somehow touched by your generosity. Little things that you had done, sacrifices made, un-noticed on the earth, in heaven now proclaimed. And I know up in heaven you're not suppose to to cry, but I can almost see a tear in your eye, as Jesus took your hand, you stood before the Lord, he said My child look around you, for great is your reward. Thank You by Ray Boltz Our heart breaks for your family, we are so very sorry. We will be praying for you in the difficult days to come. May the memories you hold dear bring you comfort and strength. All our love,
