“ Hi Joyce, so lovely to see your message. You were such a great friend to mom. There was always great laughter in our house when you and Kathy were around. Best memory was you teaching me to drive a stick shift. All the best to you. xo Debbie

“ It is sad to say goodbye to my sister. She partially raised me when I was really young and was always one of the hardest workers I have seen. The thing that always amazed me the most was how she handled the many challenges she faced during her life with such grace and positive attitude. She had the amazing ability to find beauty in the smallest things and find beauty everywhere. She loved her projects and took such joy in them. One of the kindest souls on the planet and I am going to really miss her! Till we meet again Sis!

“ It is with deepest sympathy for all the family as I think back on the great memories & the amazing person & dearest friend that Kay was to all. Kay was admired & respected by all of her family & friends in which she came to love & cherish. She always had an encouraging word for those who needed it regardless of the situation. She was beautiful inside & out and I will treasure her smile and memories of her great friendship. There was nothing that Kay wasn't afraid to tackle and was able to do everything she set out to do. My thoughts and prayers to all. May she rest in peace & watch over all of us as our angle in heaven.

“ Have many great memories of our time in junior high and high school at St. Joseph Catholic. The class of 1960 will never be forgotten for some of the clowning we did. It was a fun time for all, and your presence made it even better. Lots of tears and laughter was had by the Sisters and students. You'll be missed Kay! May God bless you in heaven, and your family consoled with your absence.

“ I am so sorry to hear of Kay's passing. My prayers are with all of you as she loved all of you so much and would just beam talking about you. Kay grew up on the same street so we walked home from school often and enjoyed our times together. May you find comfort in your happy memories and in God's amazing grace. Blessings,
