“ Dear Sandy, I was so saddened to hear of Marshall's passing. Although I haven't seen either of you for the past 50 years, I always knew what you were up to from Eleanor and Bob. All my memories of you and I working together at 7 mile and Gratiot and going to the Senior prom w/ Marshall have always been fond memories for me.

“ Bonnie my heart is sad for you. Although I didn't know your Dad, Cindy and Jim have told me about him and what a great man he was. It's easy to say he's not in pain and in a better place, this is so true now, but for a girl to not have her Daddy here on Earth with her anymore is something we all wish would never have to happen. For that I wish I could give you a big hug and I will next time I see you. I will continue to keep you and your family in my prayers during this difficult time.
