“ We were so sorry to hear of Martha's untimely passing. Our most recent happy memory was spending time with Martha at our St. Martin High 50th Reunion weekend. It was great to see everyone and catch up.. We know Martha especially enjoyed it and even spoke about how important family and friends are! This is especially true at a hard time like this. God bless her and all her family.

“ The memory boards remind us of our years at St. Martin on the Lake High School all twelve years. Martha enjoyed our recent 50th high school reunion. What fun trying to find ourselves in the photos on the memory board. She has left a wonderful legacy thru her children and grandchildren. May the Lord continue to bless your family.

“ We are so sorry to learn of Martha's death. Her next door neighbor Stan notified us and we were her next door neighbor in Algonac. Through Stan we were able to keep in touch with Martha. Just want you to know we are thinking of you and hope many wonderful memories will live in your hearts forever. Thoughts, prayers and sympathy are with you all. Dolores and Don

“ Aunt Martha was truly one of a kind as she was such a fun loving, silly spirited aunt. Her sense of adventure was inspiring. I loved playing any and all games with her and was quite impressed how she could kick the collective butts of all the cousins during our cousin Euchre & poker nights. She never felt sorry for us either! Sneaking away from the family reunions to go to the casino left us giggling there and back. I will truly miss her when it comes to family parties and will never again sip butterscotch schnapps without thinking about her : Big hugs... Cousin Amy

“ Thanks to everyone for your loving words. I just wanted to share - when I told my mom I was going to have a child she said "well, long pause you'll be a good mother" she wasn't to sure about me otherwise but, she knew that. And as I think about that today, I know that it is because she was such a wonderful, supportive mom herself that I was able to be so successful with our Owen. Love,

“ Aunt Martha shared so many wonderful family stories with me last week in Las Vegas, she was so proud of her kids and grandkids; and had a great time keeping up with the "younger ones" at the family reunion this summer. She said she felt bad going to the euchre tournaments with the cousins, because she would just take their money "those kids don't know how to play euchre".

“ This is a good picture of "Aunt Martha" . She was always smiling unless she had a bad hand in Euchre.
