“ Aunt Martha was one of the kindest people I've ever known; she always had an encouraging word for everyone. She was particularly close to my mother, her sister Alline; Martha's support has been invaluable during my mother's recent illness. I will miss her greatly, and my mother will, too.

“ I can't express how much my Grandma meant to me. She taught me so much about life... I owe her for much of my faith, my love of stories and interest in traveling. She was always so supportive of any decision her children and grandchildren made, she was there when we needed her with her advice and articles to help us. I'll love her and miss her forever.

“ My memories start back when I was just a kid at least some 50 years ago and they are just a rare few of the good ones that I still remember back then that is just how much of an impression she made on me. Enjoyed the few and far between visits in these later years. She always seemed to radiate joy - a glow - and was so positive. She will be missed but will live on in my memory as I am sure with all she came in contact with.
