I stand before you today as a witness to the remarkable life of Martin Segal, a man whose presence graced our lives for too short a time, but whose impact will resonate in our hearts forever. My name is Lisa Bugg, and my family has been blessed to call the Segals our dear friends for nearly three decades. In fact, I had the privilege of introducing Martin to my wonderful friend Joy, and it became evident that God had a divine plan for these two lovebirds.
