“ *I am so saddened to hear of this. Marty always "Blamed" me for getting him back into playing trumpet after an absence of many years. I was always very proud of that in the fact that it renewed him to be in music, and that the world was able to share in his beautiful talent. Rest easy, my friend, for we will be gigging together again.*

*Marty was a great trumpet player. I was so happy to work with him every year. He played beautifully every Easter Vigil, and did a wonderful job brightening our choral works, and providing descants and counterpoint to the flute and organ alike! The folks in our choir at St. Mary Church in Royal Oak loved him. An easy guy to work with, and a consummate professional - He will be sorely missed. Love, Paula Savaglio*

“ *Marty played principal trumpet with the Royal Oak Symphony Orchestra (ROSO) for more than 12 years. He contributed to the orchestra in various ways...and performed many energetic and beautiful trumpet solos. Marty was with us at our rehearsal last Wednesday evening, September 6, so his passing is a huge shock. He will be missed by all of our 60 musicians.*

“ *My dear friend Marty was as far right as I am left. We shared years of heated "discussions" which I looked forward to at every rehearsal and Facebook posting. I cannot believe he will not be with us anymore. I loved him very much and will miss him sitting in front of me every Wednesday, Rest in peace, Marty*

“ So very sorry to see this. Marty and I were just going back and forth on FB the other day. We often found ourselves on opposite sides on some political issues, but connected by our love for music. He will be deeply missed.

*I was shocked and saddened to hear of Marty's passing. We worked together at the Saturn 12 Mile facility for years since the early days of Saturn. He was more than co-worker as we developed a true friendship. My sincere condolences to the family in this time of loss and grief.*
