“ Gramps,

I miss you so much. I thought of you on your birthday. It made me happy that I didn't forget but sad because I can't hear your voice or see your face. You were always a man I looked up to. A man I respected. And a man I hoped to be one day. I miss talking and catching up with you. I hope that you are with God now where you should be. Till we see again...

*Love always,
Michael*

“ *My fondest memories of my grandfather are those of when we were children and spend thanksgiving and Christmas at their house. We always had such a great time with him and all of my other cousins.*

I am happy I got to see him one last time. It brought some back so many wonderful memories.

You will forever be in our hearts and will not be forgotten.

*Love always,
Aaron*

“ *Marv was a good and true friend. He was honorable, decisive, and kind. As Fire Chief, he led his men with courage, intelligence and insight. As a new Firefighter, I had the honor of being trained by Marv. As an Officer and Assistant Fire Chief, I had his support and fine example to rely on.*

My wife and I always counted Marv and Bonnie among our good friends and watched their large family grow and prosper through the years. He was kind enough to help the City of Utica as a volunteer on the DPW Board and again, in producing the "History of Utica" book with the Utica Heritage Association. He loved Utica and my wife, as Mayor, trusted his input and candor. She loved his wit, sense of family, and zest for life.

Marv, we will miss you but treasure your presence in our lives. God bless and keep you.
