“ *Mary Ann was such a sweet lady. We met in Warren at the PT pool a couple of years back. Mary Ann and I got to be friends and talk about our children and where we lived.*

One day she realized that she knew me through my son who went to Hatherly Special Ed in Warren and she had him on her route. She was a bright spot in my day. Small world we all live in and I am happy to have a chance to reacquaint with her 2-3times a week. I offer my condolences to her family and will keep you all in prayer. May she Rest in Peace and the Angels surround her with love.

“ Maryann was one of the best people ever to work at Warren Con..when I started scared and insecure my first days she was there always for me..she helped me through my husband's passing and always was there for me when I needed her help..For that she will always hold a special place in my heart..We were never able to confirm it but think our mothers worked together at Niesners back in the day..to her family hopefully you know how highly she was thought of.....

“ *Mary Ann was such a wonderful woman. I will never forget the smiles, the silent giggles, and the many many belly laughs we shared together. I loved this lady and she will be sorely missed. My prayers to the family and loved ones she leaves behind.*
