“ Mary Ann was more than my cross the hall neighbor, she was my friend, we would share the laundry room, and when we had social events, we would sit together in the dining room. If I left something in the laundry room, she would hang it on my doorknob. If I had a meal downstairs, she would bring it to me. I was so proud of her when she told me she could drive to Beaumont Hospital because i can't! She loved her family and was so happy to attend her daughter's wedding. I will miss her so much, but understand she has to share her jokes and smiles in heaven.
