“*Mary was my \"favorite neighbor\". That was how she always left messages on my phone. I knew her and Johanna for over two decades. I will miss her little baked good gifts and Friday night Domino games. Friendships like this last a lifetime. Mary was also one of my esteemed cat sitters-Mi Ling will also miss her.*

“*Mary worked at the Health Center as a volunteer on Friday with us. Every Friday Ms.Mary would come in with a joke. She also loved giving every kid that walked into the Health Center a sticker. The kids just loved her. We will miss those jokes on Friday. She was a caring lady. She will be missed. Our prayers and thoughts go to all of her family and her best friend Johanna. Love Dorothy and the rest of the crew at the Beaumont Health Center.*

“ No kids of her own, but there's photos of a couple dozen kids on her refrigerator including our 2 girls. Everyone's favourite aunt. ... going to leave quite a hole in a lot of lives. My daughter baked Mary's "poke cake" and took it to work. That strikes me as quite a fitting observance.
