“ Dear Earl and Family, You may not know me, but Mary Jane taught near me at Seaholm High School, I in Spanish/German and she in Social Studies. We had many conversations regarding teaching. She mentored me as a young teacher and taught me how things "rolled" at the school. I especially remember her traditional dress in suits and of course her enjoyment of "happy hour" after school. Today, I too am a retired teacher and think that the last mentioned is the most important! I have such fond memories. May she rest in peace and may your family find comfort in knowing she is thought of fondly. Mary Stefano ”
