“ Hi Darren and Mary. We are so very sad to hear June has passed away, a truly wonderful woman. We only met a handful of times yet we always felt a strong connection to her, we shared cards and letters for years. She had a wonderful family who supported her through till the end. Thinking of you all at this sad time. Love Jan and Mick Miles xxx

“ *What an incredible legacy this amazing women has created with a lifetime of love and smiles. Always a kind and gentle women you couldn't help but admire. The last time I got to see her was here in SC (last October) when I really got a chance to sit down and talk to her. I learned so much about her life. I could have listened to her for hours. Truly amazing all that she can remember about her life so long ago. Even though I didn't see her often because of the distance between us, I know this world is a lesser place without her in it.*

May the peace & love of the Lord be with Mary Jane, family, & friends, always! This world is much worse because of her absence, but, in Heaven she is a delight.
