“ I remember being a little girl at my grandparents house and seeing "aunt" Mary over there all the time. I even remember a trip she made to Florida after my family moved, and her always being so sweet. Rest in peace aunt Mary!!! April

“ God truly blesses us with some people that are a bright and shining light. Mary was one of those who always seemed to find the good in people and encourage them. She was an example to my parents when they were young parents and helped them anytime should could.

We love her and all her family.

I cannot express the total of that which Mary has done for and has meant to my family.

Blessed are the peacemakers, for they will be called children of God. Mat. 5:9

“ We were saddened to hear of Mary's passing. Of course, I only knew her as Keith's Aunt Mary and was so blessed to know her. We are sorry we were unable to attend the funeral to give the family our deepest sympathies. Mary was a beautiful woman inside and out. She had such a kind and generous heart and is someone we truly loved and respected. Love and Prayers, Kim Bianchini

“ mommy,mother,my mamaleega, the light that has guided me for sixty eight years has gone out and in its place a bright and shining candle has replaced it in my heart. You and I have shared so much together,sorrow, joys, sweetness, laughter and tears. Always, always though, the love was the bright spot of our life. Mom as I ask myself how can I do this without you I know how can't I with the example you set. If I can be the women you were how lucky a daughter I will be. Rest now mom and rejoice in the Lord you loved so dearly. Hug our dear Brett for us and kiss his sweet face until we meet again , may God hold you dear sweet mom. Your youngest daughter. Carol.

“ Sweet journey to heaven dear mother. Carol and I were the most blessed to have had you for our mother. Your example of love, compassion, faith and humor have made us the women we are today. Seeing and hearing from all our family and friends about the love and the help you shared with them through the years brought us joy and loving memories these past few days. You will always be with us and loving us as we journey through the winter of our lives. Love to you till we are in each other's arms again. Your grateful and loving first born.

“ *Mary Bell was the sunshine of my life. Everyday her smile made my job special. She was a beautiful person who made everyone she met feel loved. Her warm demeanor inspired everyone to have a good day and to exude kindness. She loved going out for lunch, and dancing along to a good song. She will be missed every single day. “ I am a receptionist at Waltonwood Royal Oak Assisted Living Community where Mary lived. It will not be the same without our little Mary Bell who was always so eager to give everyone a hug. I used to call it our "heart to heart hug." She just loved everybody. She was so proud of her family and was "over the moon" about little Logan. God Bless you, Mary Bell, and my sincerest sympathy to the entire family. She will be missed!
