“*Dear Jim and Day, David and Armeda, Mary Jo and John: You are all in my thoughts and prayers. May you find peace in knowing your mom is with your dad and all the angels. I remember all the get togethers and reunions when we we debated whether we were second cousins or first cousins once removed! Either way we are family and my heart goes out to each of you.*

“ *Salve John, We hope and pray that God will comfort you and your family for the death of your mother. Having lost both of our parents several years ago, we still remember them daily and pray for the repose of their souls, especially when we share a meal. Now your mother will be added to our list of faithful departed. May God strengthen you with His grace, Daniel & John Peper*
