“ She was very generous and cool to Denny II and I when we spent time up north with her....learning to drive the car on the backroads and also sharing stories around the campfire. There were a couple of summers that she invited me up to help Denny out with the work; but that was a spoof, we the kids mostly had fun and didn't do much work at all.

“ Please accept my deepest condolences. Mary was a kind and gracious soul and I was privileged to know her. Thankfully she left many wonderful memories with her family and friends. God granted her a leaving as gentle as she was and that is truly something to be grateful for. Love, Jane
