“*Mary was truly one of those special people in this world. She was always positive and always said good things about others. It was pleasurable to talk to her when I felt alone and she managed to lift up my spirits. She always wanted to know how everyone in the family was doing and was truly interested in promoting good family values. She will be missed by so many people, but her memory will continue to shine on ours.*

“ So long Great Aunt Mary, you have always been there for me. My friend, my cheerleader, my role model. You were a modern woman before your time and a true inspiration. Your help and advise made such a positive impact on my and Joseph's life. I know you will be waiting to greet me with my grandma Sophie when my time comes. Thank you for everything, I am proud to be the namesake of your beautiful mother. My prayers are with your sons and their families, it is hard to say farewell to someone so incredibly wonderful as Mary Brown. A new star shines on us from heaven above. Lovingly Vicki Hart
