“ Donna, Judy and Carol, I am so sorry to learn about your mom. I have great memories of her always asking how my family was doing, especially my mother, when I visited. She was truly a beautiful person inside and out. I can still picture her walking up and down Cass. Please take comfort in all the love and kindness she has given throughout her life.

“ Donna, Judy, and Carol, All of you are a testament to what a fine mother and person your mom was. You daughters were so devoted to her, and I know she appreciated all you did for her. I always enjoyed talking to her, and she always had a smile and a "how are you" for me. She will be greatly missed.
