“ Dear Grandma "nemo" courtesy of your grandson Scott" Grandma, I will always remember the great sleepovers we had at our house. You would let us be the wild little kids we would love to be, but you would always correct us in a loving manner if we got to "out of control". You taught us the importance of believing in god. Your strength and fiesty demeanor has been instilled in me, and and so proud to have you as my grandma. I know you will watch over all of us, and I know that all of this will make our families stronger. I will always remember your beautiful smile. We all inherited that beautiful smile of your. I love you grandma forever. Your loving grand daughter, Rachael Carpenter Ps. Driving to Canada either through the tunnel or bridge was always so exciting for all of us kids. It was allllways so much fun, not to mention all the icecream we were allowed to eat at the Villa Maria lol. I send you an Irish Blessing.

“ I'll always remember Aunt Mary for her endless ability to love and forgive and to bring joy to other people's lives. Especially her brother and sister, who she took care of so well when they were sick. She really was one in a million that way.

“ Dear Greg, Diane, and Families, I am so sad that I will not be able to attend the funeral. She will always be my Aunt Mary even though we were cousins. The Sunday family gatherings at the Woodgate and Bozich homes are some of my best childhood memories. In fact, my mom and dad's first date was attending Mass at St. Benedict's and then to Aunt Cecil's for dinner and a game of pinochle. Mary arranged the date...the girls worked together at the A&P. Mary was my confirmation sponsor and I still treasure the Daily Missal she signed and gave me on that special occasion. I can close my eyes to this day and hear her infectious, wonderful laugh....I will say a Rosary for Aunt Mary, she always prayed from her heart and soul. You are all in my thoughts and prayers! “ My Aunt Mary was the person you could always count on when you needed help. She will be remembered as the person that helped to guide all of us on the correct path in life. Family & God were the 2 most important things in her life. She touched the life of many & she will be remembered.
