“ This is Marcos Vásquez Espina, from Chile. I was a exchange student in 1972 in her home, where she and my foster father Roman, and their charming daughter Laurie Anne, share with me for six ungergetable months at their home. Fantastic moments and beautiful memories. If Laurie could contact me at my mail, marcos.vasquez.lex@gmail.com, it would be very much appreciated. Lots of love.

“ Dear Laurie, I am so sorry to hear about your Mother's passing. I am shocked and saddened. Mary Ellen and I spoke often at great lengths on the phone. We met 5 years ago during real estate dealings, but remained phone friends after our business concluded. We exchanged cards and photos, usually talking about every 6 weeks. Mary Ellen was a great lady of grace and distinction. She was astute, witty and honest. I never tired of her stories of life and loved ones. She was very proud of you and spoke passionately about your life and loyalty. We often talked about health. It was horrible when she lost Roman. She missed him so terribly. I will miss Mary Ellen Duda. She was a unique and exceptional woman. I loved it when she said, "Cheerio for now!" May she abide peacefully in love with Roman for eternity. Love, Cheryle Grounds
