“ I am very sorry to hear of Mrs. Erwin's passing. I always loved seeing both Mr. & Mrs. Erwin and being around them, they always had a big smile and a great big hug for me every time I seen them. Even after years of not seeing them with Judy they never forgot my name or who I was. One of My favorite memories of her is: Mrs. Ermin would be out at the light everyday 3 times a day even if it was raining, snowing, windy and the best weather sunny, being the crossing guard for all the kids that had to cross 11 mile road. She always took her job seriously and loved all the kids she protected. Another one of my favorites is how she loved to have a birthday party for Judy every year, they were exciting to go to and she loved giving them. I remember one time Judy had a Halloween party and Mrs. Erwin had popcorn and meat and we were in the dark and she told a story where the popcorn was teeth and the meat was a organ. Mrs. Erwin told the story really good where it scared me to death and I really thought that was teeth and and actual organ. Mrs. Erwin was a wonderful lady and a great mom to her kids. Mr. & Mrs. Erwin was always in my thoughts after she became sick. I will miss her and think of her often.
