“ We were so sorry to hear about your loss. Mary was very close to our family for years and was loved very much. She was an amazing, caring, kind woman. The last time I saw her 1 year ago she was happier than I had ever seen her; even with cancer. Her new family was her source of happiness. She will be truly missed!! Our prayers are with your family. “ Dear Mark, Ben & I were heartbroken today to hear about Mary's passing... One thing I am so grateful for was the opportunity to even know her. Her heart was the largest & her soul was the most innocent, kind & loving out of anyone I've ever encountered. I consider it a true honor to have known her & only wish I would've been able to see her more often. Our love, prayers & condolences are with you & the boys. And remember, someone as strong & loving as Mary will always be with you in spirit. Lots of Love, Nicole

“ Words cannot express the sadness I feel. Mary was such an amazing lady. I had the honor of knowing her and her sweet boys when they were at Kennedy K Sacc. She always helped in bringing food to parties, or just wanting to come in and help. I loved having Mark and Alec in our classroom. They are so sweet and loving. My heart and prayers go out to the family. Mrs H. Kennedy K Sacc

“ A wonderful lady that I have had the pleasure of knowing for only a short time. The smile, the light in her eyes, the connection we made has left me with fond memories and a piece of her heart, I know has joined mine. The sweetness I can not express in words. My friend, we will meet again some day. God Bless you, your family, and friends. Rest in peace sweet lady.

“ Our hearts are broken by the loss of an angel on earth. She was one of the most unselfish people we have known. She thought only to help others while she, herself was struggling with life's challenges. We are comforted in knowing she is in heaven where she has a place secured by her kindness and love. Our prayers go out to Mary's mother, husband, children and the rest of her family.

“ There are some moments in life, when words are unable to express our hearts emotion. March 5th was one of those days, when we lost a dear sweet, caring, friend, and an awesome woman, a spirit so filled with spunk and Irish fire. Mary was an inspiration, a blessing to those she crossed paths with, the kind of woman who cared for others laying in hospital beds around her while she was sick herself. She was a light in this dark world, who resonated hope and joy in the pit of cancer. In memory of Mary, I believe, that “Life is eternal, and Love is immortal, when death leaves a heartache no one can heal, love leaves a memory no one can steal.” You are missed my dear friend. Til we meet again sweet Angel, Love Always from the Botsford Wellness Group.

“ Quiet World by Aydin Akcasu "The world feels different . . . And I wish it could stop a minute so people would notice. The sun still rises and sets, as it always has. People still go about their busy lives making their dent in the world. The children still play in the park, with sounds of laughter everywhere. But it's quieter today, and no one else is noticing. There is just one less person making their noise today, And that person meant the world to me..." ...and to so many others! Mary was so humble, selfless, and kind...her departure has left our world a little bit sadder and torn out a piece of my heart. My prayers & love go out to her entire family during this difficult time...and please know that if you need anything, I will always be there for you!

“*My heart goes out to all Mary's family. Sweet and loving, a very strong woman. She will be missed by many and for always. I read this recently and loved it. I think it says a lot towards those whose journeys are cut short, "Life is not measured by the breaths we take, but by the moments that take our breath away."*”
