“ *We had a special bond. I feel truly blessed to have known her. She lit the room up with her personality. She was one of a kind. We spoke often about God. I could tell her things that I couldn't tell my own mother, and she never judged me. I will miss her beautiful Soul. This is not goodbye this is see you in Heaven Maryanne.* ”

Friend, Aunt, Mom, what can I say she was alot to all of us. We all will miss her humor, and her laughter. I looked forward to her Birtday every year, we always went out to lunch by the water. She always seemed so happy when she was by the water. I will miss her, but I know she is at peace and with her family in heaven. She has given all of us something special to remember about her. She will always be with me in my heart.

“ She was more than just an Aunt she was like a second mom to me and all my siblings, I will always be able to hear her voice happily say Linda Lou when she saw me (even though that's not my middle name lol), she used to call me just to tell me she was thinking about me and how much she loved me. I will miss her a lot but it makes me happy to know she is with family again in Heaven!

“ Throughout my whole life, at night she would call or text me saying she loved me and good night. I will miss our conversations, our drives by the water, her silliness, her love for animals, her brownies, and her scent when I hugged her. She would often speak about dreams of flying like a bird and how she loved that feeling of soaring in the sky. Now, she is.
