“ *My prayers are with your family at this time. Losing a mother is like losing part of yourself and your past. Keep your mother's sense of humor and great positive energy alive in your life and those of your children.*

“ *I knew Mary as a tech and worked with her in the pharmacy. She was always up beat and very nice to me. Very helpful when I needed a friend. It was not only a pleasure to have worked with her but knowing her. Karen Jones Sanders*

“ *I trained Mary as a Pharmacy Technician at William Beaumont Hospital. Mary was one of the most interesting people I have met. If ever you wanted a lively discussion, Mary was the one to engage. She helped me greatly with kind words and gestures when my father died. We have all been blessed by her presence on this earth. God bless you and hold you in the palms of his hands during this most difficult time.*
