“ My sympathy to the family. When someone we love dies the pain and feeling of helplessness can seem unbearable. May you find comfort in Jesus words, "I am the resurrection and the life."-John 11:25

“ We were fortunate to share Judy's life for the last 65 plus years. Particularly the last ten when we regularly got together for lunches and holiday gatherings. Her quiet gentle demeanor had a calming effect on all of us. Shortly before she passed I brought her a small perch dinner and she finished every bite. It was heartening to see her happy over a small thing like a favorite meal. Spread your wings Jude, until we meet again. Terri (White) Fisher and Jim Fisher.

“ I am so sad to learn of the loss of this wonderful woman. Her Gentleness , Kindness , contribution to the amazing Retail Market hudsons and Nordtoms. But my favorite memories of Judy is golfing with her in Royal Oak...we always wanted to do 18 holes and she would just say lets just do the 9 hole golf course twice. Her love of family is another memory I have of her...when she lost her brother she worked for a cause and had a great impact..then she lost her sister the sisters were five I believe..and then her kids...amazing woman...one of those people that held quiet space for so many. I am sad to learn of her leaving us...she will be missed alot by many....and I am happy to have known her and had her in my life and her in my life..Linda Marshall
