“ *Hello to all, I regret not being with you this week. I cannot even begin to tell you how much your mom and your family have meant to me. No where have I ever been so welcomed. I began Christmas visits when Aunt Alice could no longer make it to Rochester, but I returned because of the true love and joy that your mom taught each and everyone of you to share with anyone who entered the home. I thank you for allowing me to be a part of your family, to be a part of the laughter, and let me share in the sorrow of our loss and the celebration of your mom's life. All my love, Joie*
