“ Just heard about your Mom's passing today. I had an email from John & Carolyn. We are very sorry for your loss. Your Mom was an extraordinary woman. We were always so amazed how she maintained such a beautiful garden with her loss of vision. My Mom always enjoyed her visits with Mary. She spoke of her often. Our families were blessed to have our mothers for so long. Our thoughts and prayers are with you during this difficult time.

“ Our condolences to the family of Mrs. Kiefiuk. As Jo Ann's little brother I loved to hear the stories she would come home to tell our family - what a special lady! I know she will be missed a great deal.

“ I'll always remember Mrs. Kiefiuk as a very spirited lady who loved to live and lived it to its fullest. Growing up with Jeanette and being at the Kiefiuk home a lot was always a special treat for me. Mrs. Kiefiuk always had a dish for us to try and many I was not familiar with and learned to love them in my growing years. Her garden was out of this world and I like to think some of her green thumb rubbed off on me. Both Mike and I send our condolences to the family.

“ I love Great Grandma dearly, and I will miss her. She was a wonderful woman who always cared for others before herself. She impacted everyone in her life. God finally made room for her in his house, and I rejoice in knowing that she is in heaven with Great-Grandpa and her family, watching over us. I love you, Grandma.

“ My deepest sympathy to the Kiefiuk Family. Mary was my next door neighbor. I have truly missed seeing her in her garden. My fondest memories will always be the stories she told of her life. I believe Heaven will surely know what a true treasure they are receiving.

“ How I loved my grandmother, she was the most amazing person I have ever met. She was such a wonderful Grandmother, always thinking of her family. After I moved away to the Upper Peninsula whenever I came home Grandma would be sure to send me back with Borsht and pierogi, of course I worked for it spending many hours with her in the garden. I have learned many things from my Grandmother how to garden, how to make borsht, pierogi, and stuffed cabbage, but the most important thing anyone could have learned from her is how to love and how to be a wonderful person. I do not what I am going to do with all of the time I have devoted to spend with her, she was my grandmother, my friend and my Angel. I will always love you Grandma, you will always live on in my heart.

“ I have many fond memories of Mrs. Kiefiuk, but my favorite will always be at her 100th birthday, when she sang in Ukrainian. Sweetly and in tune, just like her life of 100 years.
