“ I met Mary and her family through our shared experiences at Bark-A-Bout Dock Diving events. She was such a friendly, outgoing soul that she was a joy to be around. I especially had fun with her and Liz by the pool. She was so knowledgeable on plants, birds, and animals. I could always turn to her for questions about my garden. Her courage and strength in the face of family illness was remarkable and a great inspiration. Mary's illness was diagnosed at the same time as my cousin and best friend so I always kept them in my prayers together. Heaven needed another angel. My condolences to the family. Charlene Palmer

Mary. I am tearful that we cannot make more memories in the future. But I will cherish the 27 years of treasured memories. You have taught many about patience, determination, compassion, dedication, and love. I will miss you dear friend and sister. I rejoice in your reunion with your parents and especially Denny and Reeg. You will always be indelible inspiration I move forward with. Love Mike and Julienne as we care for our 88 yr old uncle today. You showed us that we can do this.

“ I've known Mary and family for over 20 years. We met through an Obedience class in a park, because of our mutual love of our dogs. We continued our friendship over the years through Southern Michigan Obedience Training Club and its many events. We saw each other at the Royal Oak Library on Saturday mornings where we did the Reading to Dogs program with our dogs. RIP, dear Mary; you will be sorely missed. I know you had a wonderous reunion with Denny and Regis and pets. Deepest condolences to the family.

“ My deepest condolences to all of Mary's family. I had the privilege of getting to know Mary while her dear mother Katherine lives at Sanctuary at Alexander with my dear mother. Mary was an exemplary daughter, mother, grandmother and wife. May her cherished memory be for a blessing.
