“ I would like to share my memories of Mary. We are what you might call "kissing cousins". I won't go into the family connection rather complicated except to say that Mary's mother Mabel Mitchell Meahan and my mother, Kathleen Westlake Pflance were step sisters - so you can see that I can claim a warm relationship with Mary. Mary was an accomplished musician as was her mother. She was also a good student. I was a little envious of her academic accomplishments which grandma would report in her letters to mom. I'm sure that in these last months when Mary looked back over a life well spent, there were many highlights - growing up in a loving family in a quiet little village, marriage to the love of her life, children to be proud of, good and true friends and a faith that was strong and provided her with courage to face her last challenge. She is truly an example of grace and Christian witness. Happy are the pure in heart: they will see God! Matthew 5:8
