“*Mary Lou was a very refined woman. Remembering her voice and the way she spoke; very articulate and soft. She lived a long life of doing things she loved to do. She raised three fine men and welcomed her daughter-in-laws as her own. Her candy making was "Top Notch" and sooo delicious. May she be at rest now. Our prayers are with you all.*

“*Bob and Family. Sorry to hear about Mary Lou. We remember her as being a great Mother, and certainly, a lady's Lady. She did a lot of good over the years, and will be remembered by the many whom she touched. You are in our prayers. Bryce and Pat*
