“ *Mary Lou was so young in heart that she brought a smile to the face of everyone she met. We may have had hundreds of miles between us, but we wrote letters to each other regularly in this day of technology and the internet - and it was GREAT! I have so many good memories when reading and rereading those letters she wrote. Our last visit was a weekend in Michigan filled with sharing pictures, family stories and just enjoying the time together. Her daughters have been angels in their love and constant care during her darkest days. God bless all of you and remember the gift you gave her when she needed you most. I love you all, Judy (Mary Lou's Alabama "baby sister")*
