“ Dear Joe and Family, I had hoped to express my sympathy in person this morning at the memorial but I was unable to be there. I want you to know what a wonderful person Mary was to work with. She was a ray of sunshine always. One of the most kind and thoughtful people I have had the opportunity to know. She is in my prayers as are you and your family.

“ Hi Brian, Joe and the rest of the LaPorte Clan - So very sorry to hear the bad news! Just heard late this afternoon - or I would have attended! Please know that Mary and the rest of you will be in our prayers including my parents. I have so many fond memories of her and all the great times we had up in Lexington. Somehow - even the times she scolded Brian & I not that we ever needed it are just as fond of the rest! Brian - Hope to see you soon or at least chat! I'll try to find the official document Taco Bell napkin with your number on it!

“ To the LaPorte Family I am so sorry to hear of your loss. I have such fond memories of Mrs. LaPorte from our many interactions at Plumbrook School for Margy and also Schuchard School for Brian. She was a very special lady. I so enjoyed her sense of humor and her ready smile. You are all in my thoughts at such a difficult time. Lois Pommerenk
