“ I was a receptionist at the Waltonwood Assisted Living where Mildred resided. I loved Mildred! She was always so funny and in such good spirits and never failed to put a smile on my face. I came to know her family and was saddened to hear about her passing just a week ago. My heart goes out to her entire family and I feel blessed to have known them all.
As Dr. Seuss says: "Don't cry because it's over; smile because it happened.
As always, Mildred has left me smiling just knowing her.
