“ Jean I am so sorry to hear of your mothers passing. I remember spending a lot of time at your house growing up. I remember helping you do dishes so we could go outside quicker and your Mom caught us. How about the time my chameleon got away in your house and your Dad found him a month later. Many fun memories. I hope your memories will help ease the pain. Love Sharon

“ I hung out at the Mauers during the 50s with Dave. Mrs Mauer was kind and generous.

She also liked her Schnauzers. May she Rest In Peace.

Condolences to Dave and the family.

“ Dear Pat,
So very sorry for your loss. Your mother must have had a marvelous life. 104 years is an incredible span of time---an entire century!! I'm sure she attained that with all the loving care she received from you and her family.

“ Mary was the last tie to my husband, Art's, parents, Helen & Martin Wesa. She & Walt, Helen & Martin shared some great, fun times over many years. I grew to love Mary, too, and we delighted in visiting her, Pat & Susie each time we traveled back to Michigan. She enjoyed sharing stories from the good old days and we loved hearing them! She shared her Finnish recipes for juusto (squeaky cheese) and one time made us a loaf of Finnish cardomom coffee bread - so yummy! Art has often said that Mary remembered more about his childhood than he did. Mind you Art is now 80. Her eyes danced at all the memories, and her beautiful, quick smile was always so evident. We shall treasure these memories forever. The fact that she survived to a healthy 104 is testimony to the attention, love and care of her family. Art is still eating Dove bar dark chocolates daily because Mary did! Always in our hearts and prayers. Love, Carol & Art Wesa

“ Mary was my "second" mom. I knew Mary for 67 years from the age of seven when I first met Sue. Sue and I became best friends and I spent many happy hours at the Maurer house while growing up. Like Mary, I am an avid gardener, and she was always the recipient of the first bouquet of roses from my garden every spring. In her later years, I often brought her flowers because I knew she loved them so much and I greatly enjoyed visiting with such a kind, sweet woman who I grew to admire and love. She reminded me so much of my own mother. I will miss seeing her angelic, beautiful face and holding her soft, fragile hand. She will always be in my heart and memory.
