“ Marylou you don't know how much Carey and I will miss you ! 🥺🐢🥲 We had a great plan and now you are gone and I don't know what I'm going to do. My heart is hurting so very much there you will always stay with Mom! You always made my stay at Carey's so much better I had you . We would go garage sales, the dollar store, when my phone was on plane mode you drove me to the store they had to go inside to reset! I would stop at your house before going onto Carey's house...and the kc chicken I would Bring you and your two pals!there is much much more but it's hard to see the keys through my tears....I'm glad you got to see Rose before you left us...we were born sisters but we were friends! I love you and I will always have our memoriesI will miss you when we go to the lake..I didn't mind driving the extra 20 miles to go to the lake you liked. Stopping at the road side vegetable stands...I could go on on but just know I love you and you will always be in my heart! Rest in peace , enjoy Mom and aunt Mary and the rest of the family! “ Mary Lou,

I know you are in a new place right now looking over all of us. Your spirit was always so alive knowing you as I was growing up. The long drives , the signing in the car to Cherand then when you would scare the crap out of me with Whitney Houston " AND I" so many laughs. I can go on and on. You always had all the answers, you never seemed like there was nothing that could not be fixed. Positive outlook is who you were. A beautiful spirit has passed on, but the memories will stay and live forever. You will be missed and always loved!

“ I remember the midnight drives my mom and Marylou used to take me and my brother on dropping us off at my uncles house on their way to Junction group home. And i remember her favoright song at the time was i will always love you by Whitney Houston and me and my brother would be falling asleep in her backseat and out of nowhere she would yell out AND IIIIII EEEE IIIIII WILL ALWAYS LOVE YOUU, and scare the bajeezus out of us we would always jump and she would laugh and laugh. She was always so fun to be around and could lite up a room with her smile and always took care of her extended family. Any child she would come across she always took in with open arms. We all love you Aunt NuNu

“ Well another day has passed and all I can do is think about you and your family..its been over 10 years since I saw you..since I moved away and got married....always wondered how you were doing..and how life was treating you....I remember cruisin down to the middle eastern bakery to get fresh bread jammin to the radio blastin in your car and you singing along to "electric avenue", and "I love rock and roll..put another dime in the jukebox baby"...."eye of the tiger"....man those were the days...kids in the backseat singing along too....or the time when we worked at b&t foods and made sandwiches for catering trucks.....and you decided to whip a frozen meatball across the room and I turned around in time to get it in the head! (OUCH..)....But looking back now those were the best days of my life...lol. You were so fun to be around always laughing...being funny..I sure am gonna miss you...we've been through so much together over 30 years..memories I will hold on to for the rest of my life...heaven doesn't know what its in store for...lol You'll have all the angels laughing and having a blast.....and by the way...if it ever rains meatballs....I'll smile and know it was you.

Daughter I remember that FurryMuttcat! This brought me tears andrea, reading ur memory, Yesss if it wasnt her & Uncle Tom getting me through (needing them both) had to work! Marylou brought yus many slurppies, McDonald happy meals, (figurines) she'd get sooo excited! to see what the surprises were in those meals. She & ur Uncle were like idk! ur 2nd parents for long while there. Son, Jeremy wld teach yu basketball tricks, yu2 wld tease Uncle Tim & Todd, being lil Stinkers, like yus were the BOMB! tg. U'd say jump Jeremy smiling, he'd say how high lil cuz, boy u had Jeremy wrapped like pretzel. & I'd say now! MaryLou & brother this gotta stop (aggravating todd & timmy)! Aunt MLou she'd look@ ur U-Thomas & roll her eyes,(funny) & ur U-thomas wld SAY! he'd put that 1st finger up & actually sing a song a tune, & say (Terri! mind ur business, we run the show around here, u kno me & mary we do a goooood job w the kids. I'd say yesssss 100%! but u gotta get this teasing situation under control. I knew better to hush....said OK u2 will do... Well yu kno Aunt MaryLou & Uncle Tom, they was King & Queen w Ukids, & me2 then, Yea! yu had that lil red freckle hair girl used to come &play w yu & todd, there. I'd drive every 2-3 days to Brighton, (25 min drive), & Mary wld have all these kids to keep yus entertained w friends after school, like a bday party going on. Yea! I haven't remembered ab that! staying temporary school year, cuz I was there so much driving every chance I could (ALOT) I learned to get there fast from HPark. Yea! MaryLou & Tom was very special to all our children, she was there friend! there 2nd mom! there protector! there world @times.(she was always THERE) for family kids, her,s & Toms as well. She Loved her Mother & Sisters, & Nieces like no tmrw, but she still loved Toms kids & family all the kids. (family kids kids kids her Dogs were her babies) so I must say good-bye sister-Inlaw! Ty for all yur memories yu shared with everyone especially with my brother Tom giving him the best years of yur life.

She was not only my Sister but my friend! She stayed at our house while getting better.... We watched law and order everyday she loved that show (well that I don't miss but let's keep it our secret lol) when she had a good day she would go to the family general dollar store. they all knew her by her name... They where like family to her... She loved finding a good deal and she would... I will miss her so much we played word games on line... I could go on for hours about how she loved my children and especially our grandkids... They would tire her out but she would say well what's going on tomorrow... I always would say Shh she would laugh... Well I have to stop writing for now but she is no longer hurting and is with our Mom... God must of needed her to take her at such an early age... Marylou I will always love you and will keep you in my heart...

“ Marylou I have so many fond memories of you since you were only a Toddler. I especially remember the days of our 2 families getting together at picnics and swimming at The Homestead Park. Great times. -By the way,. I Love and miss you Another "Precious" memory. was when I got out of The Hospital, Weds. July the 13th this week, I went on my computer to read well wishes from friends and relatives, The one that touched my heart more was a Post from You, Marylou telling Ellen to let me know that you were Praying for me and you loved me. That, to me was Priceless. You were Unbeatable.. Love and Miss you very much
